Product Lifecycle – Information No. 24/104 SI EA PLM PROT MVR Announcement of product phase-out and cancellation of SICAM P5x Power Meter 7KG775x

By this letter we inform you about the schedule regarding phase-out of the products listed below.

During the phase-out period (starting with the date of phase-out announcement) these products are still available until the date of product cancellation as stated below. However, these products should not be used for new projects during this phase of maximum 1 (one) year.

Typically, repair service is provided for a period of 5 (five) years (*1) after the date of phase-out announcement.

With the date of product cancellation all standard country discounts (factors) are terminated.

Product	Date of phase-out announcement	Date of product cancellation	Successive/substitute product in China
Power Meter SICAM P5x 7KG775x	2024-09-30	2025-09-30	SICAM P3

Please initiate a switch over to substitute products while considering the functionality described in the manual at a suitable occasion.

- (*1) For your consideration:
Due to limited availability of material, we reserve the option to restrict deliveries, spare parts and repairs earlier or initiate an order block respectively.

Sincerely yours,

Siemens Aktiengesellschaft
